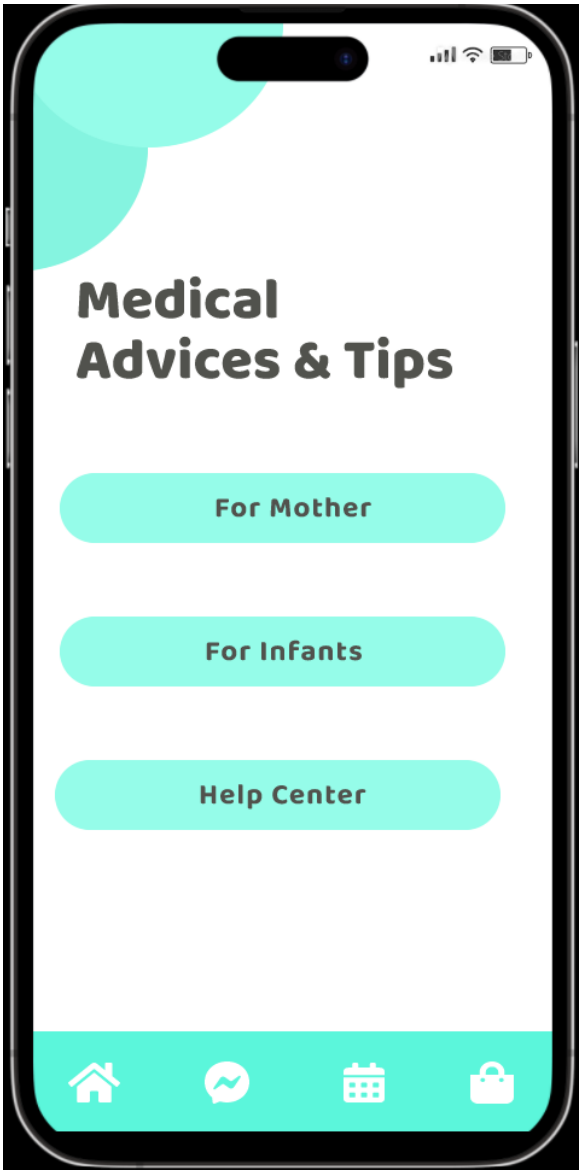
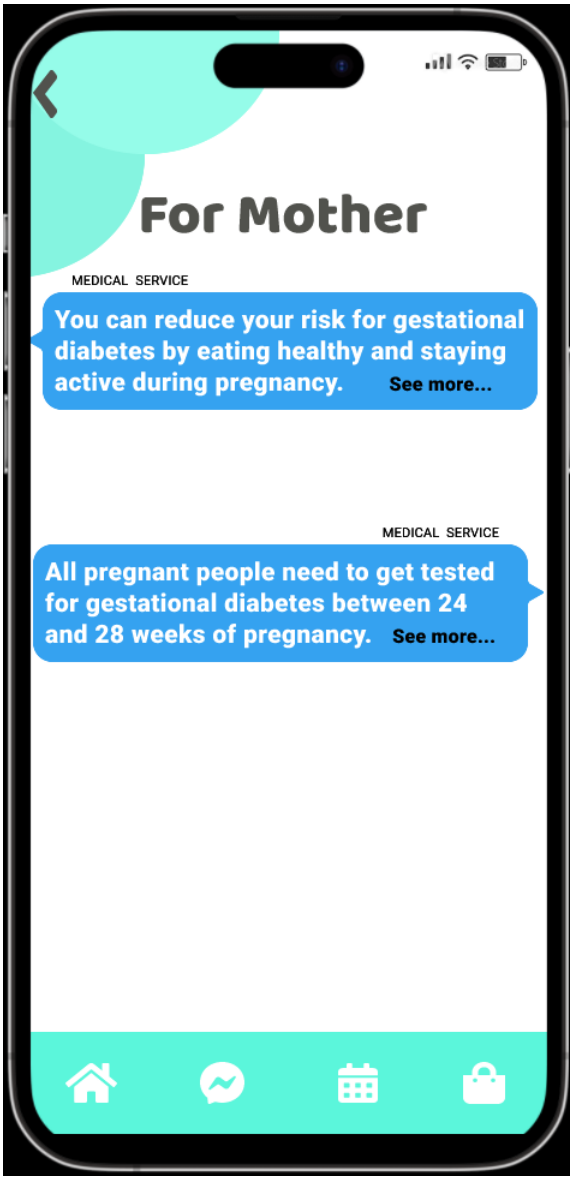
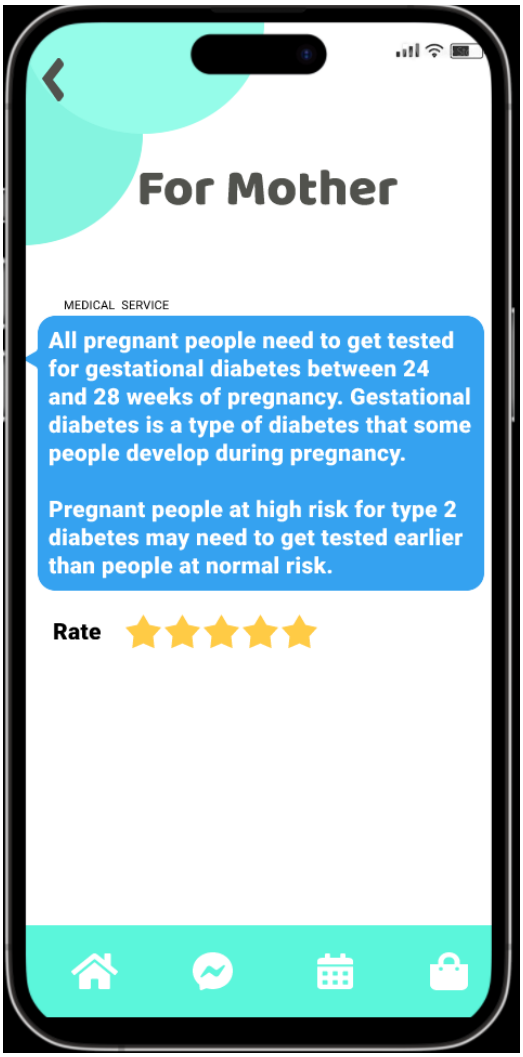
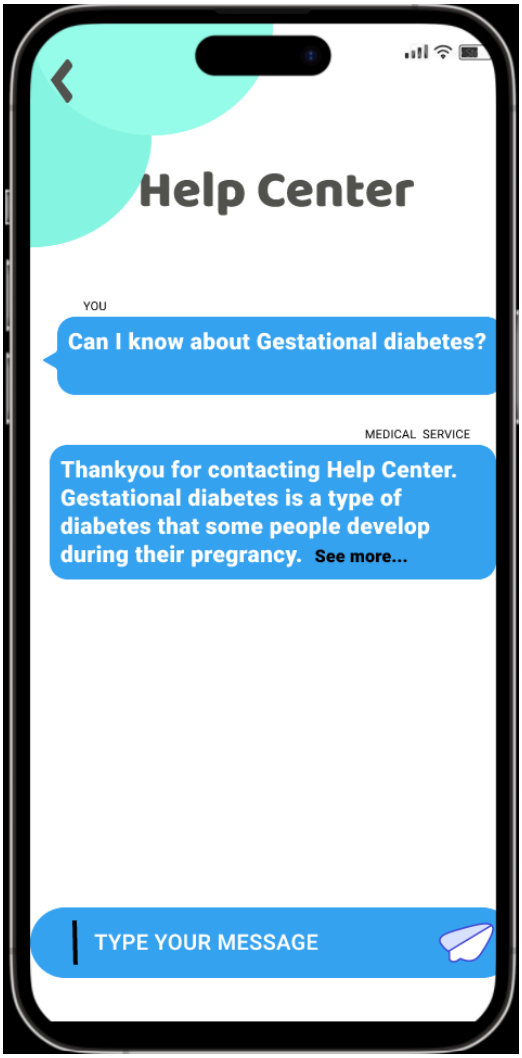
4. Medical Tips and Advice - IT21288012







For Mother
MEDICAL SERVICE
All pregnant people need to get tested for gestational diabetes between 24 and 28 weeks of pregnancy. Gestational diabetes is a type of diabetes that some people develop during pregnancy.
Pregnant people at high risk for type 2 diabetes may need to get tested earlier than people at normal risk.
Rate



Help Center
YOU
Can I know about Gestational diabetes?
MEDICAL SERVICE
Thankyou for contacting Help Center. Gestational diabetes is a type of diabetes that some people develop during their pregrancy. See more...
